Gentlemen:

In regards to the photostatic copy of the death certificate of Walter H. Jagels, deceased.

We received the amended photostatic copy of August 17, 1953 and forwarded this copy to Mrs. Freda Jagesl, wife of the deceased, who finds that the age had not been changed from the original copy. The corrected age should be 58 and not 59 as shown. I feel I'm to blame for this oversight as I never corrected this in my letter of August 16, but she wants the age correct and it definitely should be, so I typed a new certificate of death from our records which gives a more complete history of Mr. Jagels. If this does not meet with proper procedure please destroy the enclosed copy.

Thanking you for ypur patience and promptness in this matter.

Sincerely yours,

Dale I. Christensen

Dear Mr. Benson:

Mrs. Freda Jagels, wife of Walter H. Jagels, deceased, received her photostatic copy of the death certificate and finds that the date of birth is incorrect. It reads as follows; Feb.18, 1894 and to be correct it should read February 17, 1895. Is it at all possible to have it amended in your office or just what procedure would you advise us to follow to correct this error?

As we have never been confronted with anything like this we shall wait until you reply.

Thanking you again,

Sincerely yours,

Dale I. Christensen

Re: EDWARD LAWRENCE HANSEN,
deceased
Local Reg. No. 131
Reg. ~~Dist.~~ No. ~~610~~

Gentlemen:

It has been brought to our attention that there is an error on the death certificate filed for Edward Lawrence Hansen who died in Bonneville County on June 3rd, 1953.

The error is the date of birth. The correct date is October 8, 1891 instead of October 8, 1892 as originally filed. This would also make the age 61 instead of 60.

Will you please make this correction and send us a certified copy, as corrected. Our check for $.50 to cover the fee is enclosed.

Very truly yours,

BUCK FUNERAL HOME
